...roves Construction ...all Voting Precinct

Meeting on Friday morning, the Board of Supervisors accepted a low bid of $6025 for construction of a new voting precinct building in Stonewall District.

The bid for the 20' x 40' cinderblock building was submitted by J. E. Jamerson & Sons of Appomattox. Construction is set to begin immediately so if at all possible the project will be completed prior to the General Election in November.

There are approximately 800 registered voters in the Stonewall District. Two automatic voting machines are already installed at this precinct.

Supervisors agreed that other precincts will have to be repaired prior to the next election and propose to replace or repair at least one precinct each year until all are in suitable condition. Many precincts in the county have for some time been in very poor condition.

In other matters before the board, the supervisors approved a Central Virginia Planning District Comission plan for Alcohol Safety Action Project as presented by Mr. Roland Murphy but took no action on the CVPDC Housing Policies Plan for Central Virginia.

The board endorsed the alcohol safety program aimed at establishing a regional rehabilitation plan for drunken drivers.

In other action, supervisors approved the Appomattox County Road Budget for 1975-76 as presented by T. E. Pittman, Resident Engineer, Va. Dept. of Highways.
